REGRESSIVE

Be creative playing with seating elements
Fall back into childhood, pillow fight !

LOW TECH

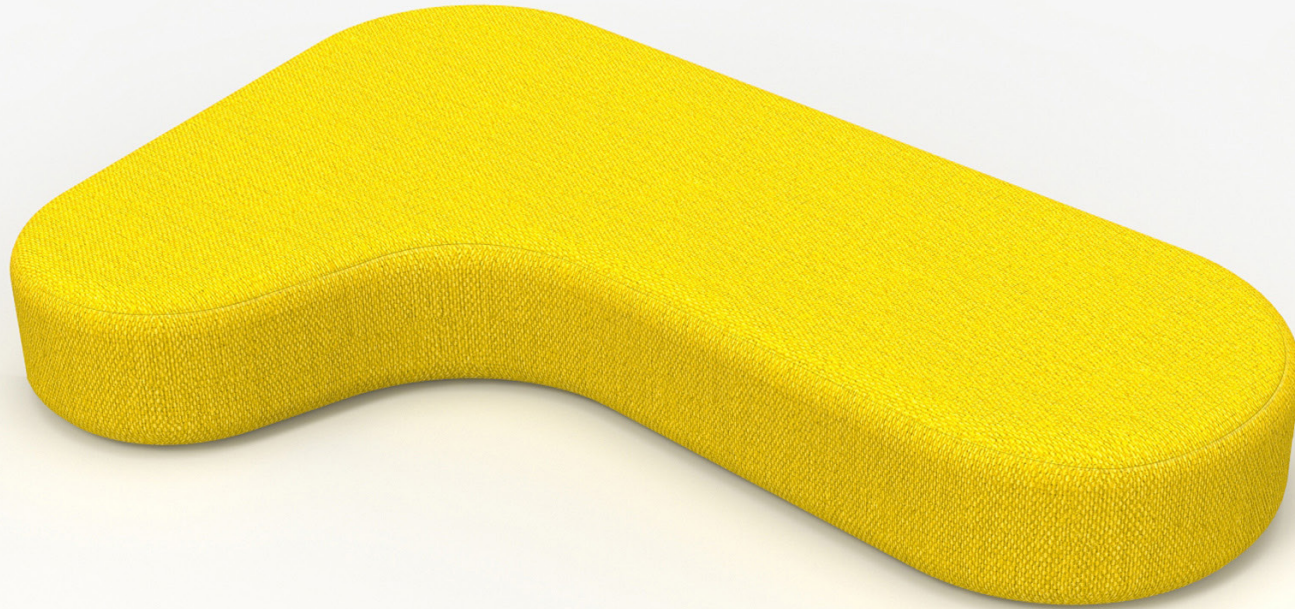

Appreciate simple conception & materials
Easy base assembling, easy cover washing.

UNIQUE

Choose & arrange the elements as you like
Make your own covers in any chosen fabric.

Concept

It all starts with this soft seating element...

...stacked by 5 units on this base...

...to make a chair !

Flip elements

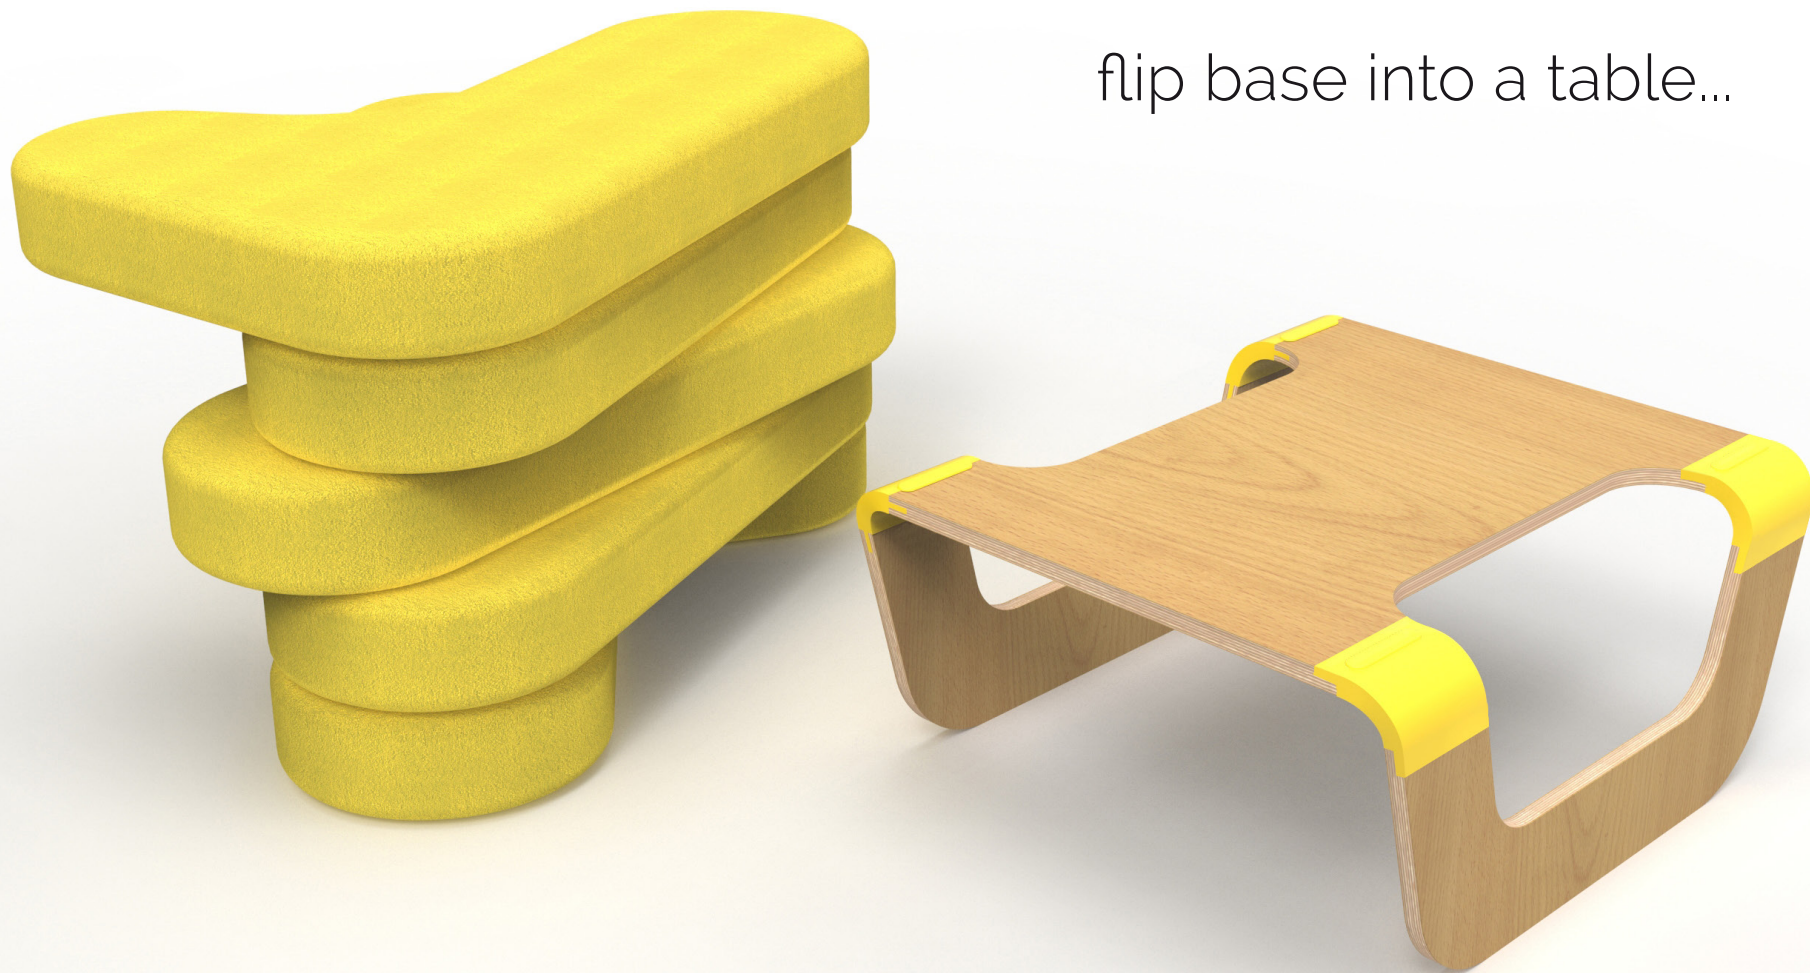

in any direction...

...to adapt your chair
to your lifestyle !

Split elements,

flip base into a table...

...and host 5 friends or more !

This is a sofa version with 12 elements on a larger base,

You can now seat 12 friends or more...
